FREIGHT POLICY

BREAKAGE OR DAMAGE: DO NOT REFUSE TO ACCEPT ANY SHIPMENT UNDER ANY CIRCUMSTANCES, AS THE FREIGHT COMPANY, U.P.S. OR FEDEX GROUND WILL CHARGE YOU FOR THE SHIPMENT BOTH WAYS.

REFUSED SHIPMENTS: Any Shipment that is refused in whole or in part will result in a 30% restocking charge as well as freight charges both ways. NO EXCEPTIONS

CARRIER: If you desire a specific carrier, please state this when placing your order. If no request is made, we will ship using our best judgement.

SHIPMENTS BY U.P.S. OR FEDEX GROUND: If merchandise is received damaged or with shortages proceed as follows:

1) Receive the shipment. Do not refuse the shipment, as you will be billed for the freight both ways.
2) Note all damage on the receipt and have the driver initial this before you sign the receipt.
3) Do not remove any damaged merchandise from the original carton until an inspection has been made or waived by U.P.S. or FedEx Ground.
4) Contact your local U.P.S. or FedEx Ground Customer Service and follow their instructions.
5) Notify ADL referencing your invoice number. Once we receive the pertinent information from U.P.S. or FEDEX GROUND, we will issue a credit to your account.

SHIPMENTS BY MOTOR FREIGHT: ADL carries good quality merchandise properly packed by professional packers. Our responsibility for your order ceases once we turn it over, in good condition, to the freight carrier. If you receive your order with damage or shortages of merchandise proceed as follows:

1) Receive the shipment. Do not refuse the shipment as this will only bring about storage or re-delivery charges for which you will be responsible.
2) Inspect the shipment for damage and correct count prior to signing the receipt.
3) If any damage is visible, open the package and examine the extent of damages before signing the receipt.
4) The driver must note all damaged cartons and/or shortages on the Bill of Lading and/or delivery receipt before you sign for the shipment. Failure to follow these instructions will result in a loss of claim.
5) File a claim with the freight company to replace or reimburse your company for any damage or shortages. We will help you to file your claim if necessary. Our willingness to help does not constitute a transfer of any responsibility from you to us.

FREIGHT COMPANIES DO NOT ACCEPT SHIPMENTS WHICH ARE POORLY PACKED OR EVEN APPEAR DAMAGED. WE WILL ABSOLUTELY NOT ACCEPT ANY RESPONSIBILITY FOR ANY PORTION OF ANY TRANSPORTATION LOSS OR DAMAGE CLAIM.

FREIGHT POLICY

PACKING: All shipments are carefully packed and checked by experienced professional packers. Due to the structural sensitivity of All Glass Shades 13 or larger in diameter, we must ship them by motor freight only. If you request shipment by U.P.S. or FedEx Ground, it is done so at your own risk and expense. Please note: the additional packaging required for these products usually creates an oversize carton. Transportation costs of oversize cartons are significantly higher. Please take this into consideration when requesting U.P.S. or FedEx Ground shipments.

EXCLUSION OF WARRANTIES / LIMITED WARRANTY: The Seller warrants its title to the products sold by it and warrants to the Purchaser that its products are free of defects of workmanship or material and are in conformity with applicable specifications and descriptions referred to or set out herein. The foregoing warranties are the only warranties applicable to purchases. All other warranties, express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose, are disclaimed. The Seller does not warrant that its products will meet or comply with the requirements of any safety code or regulation of any state, municipality, or other jurisdiction. If any sample or model was shown to the Purchaser, such sample or model was used merely to illustrate the general type and quality of the products and not to represent that the products would necessarily conform to the sample or model.

LIMITATION OF LIABILITY: It is understood and agreed that the Seller's liability whether in contract, in tort, under any warranty set forth herein, in negligence, or otherwise shall not exceed the return of the amount of the purchase price paid by the Purchaser, or, at the option of the Seller, in the Seller's sole discretion, the replacement or repair of the product or part concerned (F.O.B. the Seller's factory or such other place as the Seller may designate), and under no circumstances shall the Seller be liable for special, indirect, or consequential damages. The price stated for the product is a consideration in limiting the Seller's liability. No action, regardless ofform, shall be maintained hereunder unless the facts giving rise to it are discovered within 12 months of shipment and written notice hereof given to Seller within 30 days of discovery. Products which are replaced by Seller in accordance with foregoing shall become the property of Seller and shall be returned to it by the Purchaser F.O.B. point of shipment.

VENDEE AGREES that all sales transactions shall be considered to have been made in the State of California and shall be interpreted in accordance with the laws and regulations of the State of California. Purchaser agrees to California jurisdiction in any action, suit or proceeding arising out of this sales transaction and concedes that it, and each of them, transacted business in the State of California. In the event legal action is commenced between the parties hereto, Purchaser agrees that venue shall be laid in Los Angeles County, California. VENDEE shall have no liability whatsoever for any direct or indirect, special or consequential damages relating in any way to the products sold by Vendee. Vendee's sole liability shall be limited to the repair or replacement of any defective products.
